§§ 52.1111—52.1112 [Reserved]

§ 52.1113 General requirements.

(a) The requirements of § 51.116(c) of this chapter are not met, since sections 10.03.35.11I and 10.03.35.10A of the Maryland Regulations governing the control of Air Pollution could, in some circumstances, prohibit the disclosure of emission data to the public. Therefore, regulations 10.03.35.11I and 10.03.35.10A are disapproved.

(b) *Regulation for public availability of emission data.* (1) Any person who cannot obtain emission data from the Agency responsible for making emission data available to the public, as specified in the applicable plan, concerning emissions from any source subject to emission limitations which are part of the approved plan may request that the appropriate Regional Administrator obtain and make public such data. Within 30 days after receipt of any such written request, the Regional Administrator shall require the owner
